2003ನೇ ಸಾಲಿನ ಸೆಪ್ಟೆಂಬರ್ 25ರ ದಿನಾಂಕದ ಭಾರತ ಸರ್ಕಾರದ ಗೆಜೆಟ್‌ನ ವಿಶೇಷ ಸಂಚಿಕೆಯ ಭಾಗ-II ಸೆಕ್ಷನ್ 3(iii)ರಲ್ಲಿ Ministry of Finance (Department of Revenue) ಇಂದ ಪ್ರಕಟವಾದ ಈ ಕೆಳಕಂಡ ಅಧಿಸೂಚನೆ ಸಂಖ್ಯೆ: 225/2003 F.No.142/16/2003-TPL ದಿನಾಂಕ:25.09.2003 {S.O.1109(E)} The Income Tax (20th Amendment) Rules 2003 ನ್ನು ಸಾರ್ವಜನಿಕರ ಮಾಹಿತಿಗಾಗಿ ಕರ್ನಾಟಕ ರಾಜ್ಯ ಪತ್ರದಲ್ಲಿ ಮರು ಪ್ರಕಟಿಸಲಾಗಿದೆ.

MINISTRY OF FINANCE
(Department of Revenue)
(CENTRAL BOARD OF DIRECT TAXES)
NOTIFICATION
No.225/2003/F.No.142/16/2003-TPL, New Delhi, the 25th September, 2003
INCOME-TAX

S.O. 1109(E): In exercise of powers conferred by sub-section (1) of section 295 read with sub-section (4) of Section 80DD and sub-section (2) of Section 80U of the Income-tax Act, 1961 (43 of 1961), the Central Board of Direct Taxes hereby makes the following rules further to amend the Income-tax Rules, 1962, namely:

1. (1) These rules may be called the Income-tax (20th Amendment) Rules, 2003.

(2) They shall be deemed to come into force with effect from the 1st day of April, 2003.

2. Income-tax Rules, 1962,-

(a) for rule 11A, the following rule shall be substituted and shall be deemed to have been substituted, namely:

"11A. Certificate to be obtained from the medical authority for the purposes of deduction under section 80DD and section 80U

(1) For the purposes of sub-section (4) of section 80DD and sub-section (2) of section 80U, the assessee shall furnish along with the return of income, a copy of the certificate issued by the medical

authority in the form prescribed vide notification No.16-18/97-NI. 1, dated: 1st June, 2001 published in the Gazette of India, Part I, Section 1 dated the 13th June, 2001 and notification No.16-18/97-NI. 1, dated:18th February, 2002 published in the Gazette of India, Part I, Section 1 dated the 27th February, 2002 and notified under the Guidelines for evaluation of various disabilities and procedure for certification, keeping in view the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 (1 of 1996).

(2) Where the condition of disability is temporary and requires reassessment after a specified period, the certificate shall be valid for the period starting from the assessment year relevant to the previous year during which the certificate was issued and ending with the assessment year relevant to the previous year during which the validity of the certificate expires.",

[Notification No. 225/2003/F.No.142/16/2003-TPL]

CHANDRAJIT SINGH,

Under Secretary.

(b) rule 11D shall be omitted and shall be deemed to have been omitted.

Foot Note: The principal rules were published under Notification No. S.O. 969 dated:26.03.1962 which has been amended from time to time, the last such amendment was made vide notification S.O. No. 1046(E) dated:12.09.2003.

EXPLANATORY MEMORANDUM

It is certified that the retrospective operation of this notification shall not be prejudicial to the interests of the assessees.

Department of Consumer Affairs

New Delhi, the 3rd October, 2003

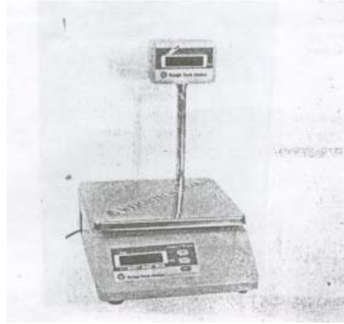

S.O. 2885: whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the

Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over period of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the model of the self-indicating, non-automatic, (Table type) weighing instrument with digital indication of "WT" series of medium accuracy (Accuracy class III) and with brand name "WEITECH (INDIA)" (herein referred to as the model manufactured by M/s. Weightech (India), 1496/13, Phulpura, Opp. Charbuj Kirna Store, Old Madhupura, Ahmedabad-380014 and which is assigned the approval mark IND/09/2003/253;

The said model (see the figure given) is a strain gauge load cell based type weighing instrument with a maximum capacity of 30 kg., minimum capacity of 100g. The verification scale interval 'e' is 5g. It has a tare device with a 100 per cent subtractive retained tare effect. The light emitting diode display indicates the weighing result. The instrument operates on 230 volts and 50-Hertz alternate current power supply;

Sealing: In addition to sealing the stamping plate, sealing is also done to prevent the opening machine for fraudulent practices.

Further, in exercise of the powers conferred by Sub-section (12) of the said Section the Central Government hereby declares that this certificate of approval of the Model shall also cover the weighing instrument of similar make, accuracy and performance of same series with maximum capacity upto 50kg and with number of verification scale interval (n) in the range of 100 to 10,000 for 'e' value of 100 mg to 2g and with the number of verification scale interval (n) in the range of 500 to 10,000 for 'e' value of 5g or more and with 'e' value of $1x10^k$, $2x10^k$, or $5x10^k$, K being the positive or negative whole number or equal to zero manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model have been manufactured.

[F.No. WM-21(164)2001]

S.O. 2886: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measure (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over period of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) of section 36 of the said Act, the Central Government hereby publishes the certificate of approval of model of the self-indicating, non-automatic, (Table type) weighing instrument with digital indication of "DIC" series of High accuracy (Accuracy class II) and with brand name "NANDI" (herein referred to as the Model), manufactured by M/s Nandi Agricultural Industries, Bhuchomandi, Bhatinda, Punjab and which is assigned the approval mark IND/09/2003/136;

The said model (see the figure given below) is a strain gauge load cell based type weighing instrument with a maximum capacity of 10 kg minimum capacity of 50g. The verification scale interval (e) is 1g. It has a tare device with a 100 per cent subtractive retained tare effect. The light emitting diode display indicates the weighing result. The instrument operates on 230 Volts and 50 Hertz alternate current power supply;

Sealing: In addition to sealing the stamping plate, sealing is done to prevent the opening machine for fraudulent practices.

Further, in exercise of the power conferred by Sub-section (12) of Section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the Model shall also cover the weighing instruments of similar make, and performance of same series with maximum capacity upto 50kg and with number of verification scale interval(n) in the range of 100 to 50,000 for 'e' value of 1 mg to 50 mg and with number of verification scale interval (n) in the range of 5000 to 50,000 for 'e' value of 100mg or more and with 'e' value of $1x10^k$, $2x10^k$, or $5x10^k$, K being the positive or negative whole number or equal to zero manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model have been manufactured.

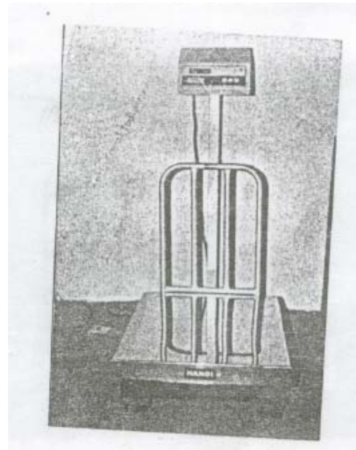

[F.No. WM-21(96)/2001]

S.O. 2887.- Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the Model of the self-indicating, non-automatic, (Platform type) weighing instrument with digital indication of "DIC" series of medium accuracy (Accuracy class III) and with brand name "NANDI" (herein referred to as the Model), manufactured by M/s Nandi Agricultural Industries, Bhuchomandi, Bhatinda, Punjab and which is assigned the approval mark IND/09/2003/137;

The said Model (see the figure given below) is a strain gauage load cell based type weighing instrument with a maximum capacity of 100 kg. and minimum capacity of 200g. The verification scale interval 'e' is 10g. It has a tare device with a 100 per cent subtractive retained tare effect. The light emitting diode display indicates the weighing result. The instrument operates on 230 volts and 50-Hertz alternate current power supply;

Sealing: In addition to scaling the stamping plate, sealing is done to prevent the opening machine for fraudulent practices.

Further, in exercise of the power conferred by Sub-section (12) of the said Section, the Central Government hereby declares that this certificate of approval of the Model shall also cover the weighing instruments of similar make and performance of same series with maximum capacity from 50kg. and upto 3000kg. and with number of verification scale interval (n) in the range of 100 to 10,000 and with number of verification scale interval (n) in the range of 500 to 10,000 for 'e' value of 5g. or more and with 'e' value $1x10^k$, $2x10^k$, or $5x10^k$, K being the positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model have been manufactured.

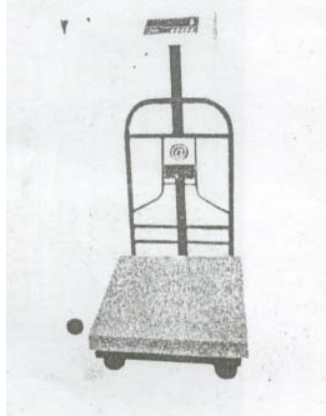

[F.No. WM-21(96)/2001]

S.O. 2888: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the Model of the self-indicating, non-automatic, (Platform type) weighing instrument with digital indication of "ADP" series of medium accuracy (Accuracy class III) and with brand name "ADIT" (herein referred to as the Model), manufactured by M/s. Alpha Digital System, 13, Abhilasha Society, New Sama Road, Baroda-390008 and which is assigned the approval mark IND/09/2003/283;

The said Model (see the figure given below) is a strain gauge load cell based type weighing instrument with a maximum capacity of 60 kg. and minimum capacity of 200g. The verification scale interval 'e' is 10g. It has a tare device with a 100 per cent subtractive retained tare effect. The light emitting diode display indicates the weighing result. The instrument operates on 230 volts and 50-Hertz alternate current power supply;

Sealing: In addition to sealing stamping plate, sealing is done to prevent opening machine for fraudulent practices.

Further, in exercise of the powers conferred by Sub-section (12) of the said Section, the Central Government hereby declares that this certificate of approval of the said Model shall also cover the weighing instrument of similar make accuracy and performance of same series with maximum capacity ranging from 50kg. to 300 kg. and with number of verification scale interval (n) in the range of 500 to 10,000 for 'e' value of 5g. or more and with 'e' value $1x10^k$, $2x10^k$, or $5x10^k$, K being the positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design accuracy and with the same materials with which, the approved Model has been manufactured.

[F.No. WM-21(146)/2001]

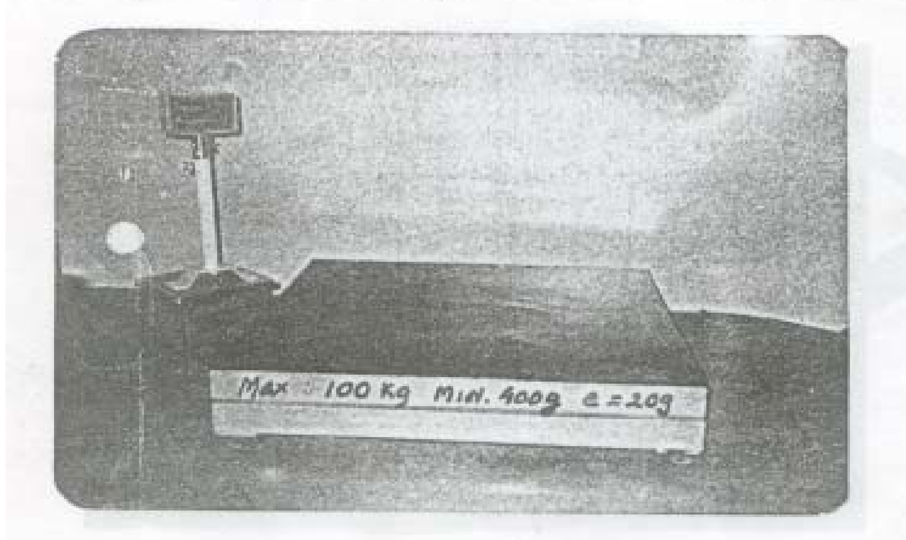

S.O. 2889: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the model described in the said report (see the figure given below) is

in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the Model of the self-indicating, non-automatic, (Platform type) weighing instrument with digital indication of "DRL" series of medium accuracy (Accuracy class III) and with brand name "EDS" (herein referred to as the Model), manufactured by M/s. EL-Digi Pvt. Ltd., 54, Suyog Industrial Estate, Lal Bahadur Shastri Marg, Vikhroholi (West) Mumbai-400 083 and which is assigned the approval mark IND/09/2003/139;

The said Model (see the figure given below) is a strain gauge load cell based type weighing instrument with a maximum capacity of 100 kg. and minimum capacity of 400g. The verification scale interval 'e' is 20g. It has a tare device with a 100 per cent subtractive retained tare effect. The light emitting diode display indicates the weighing result. The instrument operates on 230 Volts and 50 Hertz alternate current power supply;

Sealing: In addition to sealing the stamping plate, sealing is done to prevent the opening machine for fraudulent practices.

Further, in exercise of the powers conferred by Sub-section (12) of the said Section, the Central Government hereby declares that this certificate of approval of the Model shall also cover the weighing instruments of similar make accuracy and performance of same series with maximum capacity ranging from 50kg to 300kg and with number of verification scale interval (n) in the range of 100 to 10,000 and with number of verification scale interval 'n' in the range of 500 to 10,000 for 'e' value of 50g or more and with 'e' value $1x10^k$, $2x10^k$ or $5x10^k$, K being the positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model has been manufactured.

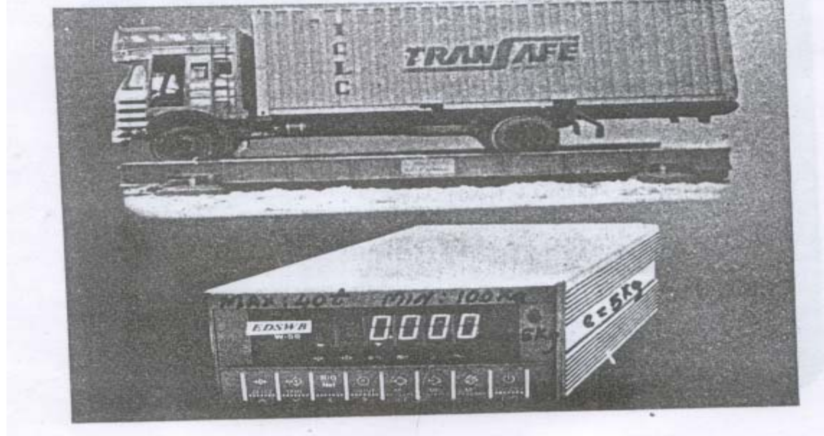

[F.No. WM-21(43)/2001]

S.O. 2890: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of Model of the self-indicating, non-automatic, (Weigh bridge with multi load cell type) weighing instrument with digital indication of "EDSWB" series of medium accuracy (Accuracy class III) and with brand name "EDS" (herein referred to as the Model), manufactured by M/s. EL-Digi Pvt. Ltd., 54, Suyog Industrial Estate, Lal Bahadur Shastri Marg, Vikhroholi (West) Mumbai-400 083 and which is assigned the approval mark IND-09/2003/140;

The said Model (see the figure given below) is a (Weigh bridge with multi load type strain gauge load cell) weighing instrument with a maximum capacity of 40 tonne and minimum capacity of 100 kg. The verification scale interval 'e' is 5 kg. It has a tare device with a 100 percent subtractive retained tare effect. The light emitting diode display indicates the weighing result. The instrument operates on 230 volts and 50-Hertz alternate current power supply;

Sealing: In addition to sealing the stamping plate, sealing is done to prevent the opening of machine for fraudulent practices.

Further, in exercise of the power conferred by Sub-section (12) of the said Section, the Central Government hereby declares that this certificate of approval of the said Model shall also cover the other weighing instruments of similar make accuracy and performance of same series with maximum capacity above 5 tonne and upto 50 tonne and with number of verification scale interval (n) in the range of 500 to 10000 for 'e' value of 5 kg. or more and with 'e' value $1x10^k$, $2x10^k$, $5x10^k$, K being the positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model has been manufactured.

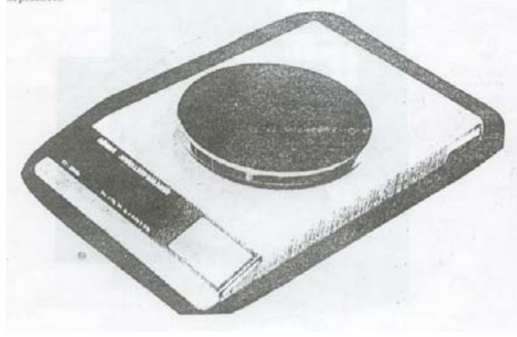

[F.No. WM-21(43)/2001]

S.O. 2891. Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the self-indicating, non-automatic (Table top type) weighing instrument with digital indication of "FX300a" series of high accuracy (Accuracy class II) and with brand name "AFCOSET" (herein referred to as the Model), manufactured by M/s. The Bombay Burmah Trading Corporation Ltd., Plot No. 304, New G.I.D.C., Gundalav, valsad-396035 and which is assigned the approval mark IND/09/2003/257;

The said Model (see figure) is a weighing instruments based on electromagnetic force compensation principle with a maximum capacity of 310g and minimum capacity of 200mg. The verification scale interval 'e' is 10 mg. It has a trare device with a 100 per cent subtractive retained tare effect. The light emitting diode (LED) display indicates the weighing result. The instruments operates on 230 Volts, 50 Hertz alternate current power supply;

In addition to sealing the stamping plate sealing should also be done to prevent the opening of the machine for fraudulent practices.

Further, in exercise of the powers conferred by Sub-section (12) of the said Section, the Central Government hereby declares that this certificate of approval of the Model shall also cover the weighing instruments of similar make, accuracy and performance of same series with maximum capacity up to 50 kg. with verification scale interval (n) in the range of 100 to 50000 for 'e' value of 1 mg to 50 mg and with verification scale interval (n) in the range of 5000 to 50000 for 'e' value of 100 mg or more and with 'e' value of $1x10^k$, $2x10^k$, or $5x10^k$, K being a positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design, accuracy and with the same materials with which, the approved Model has been manufactured.

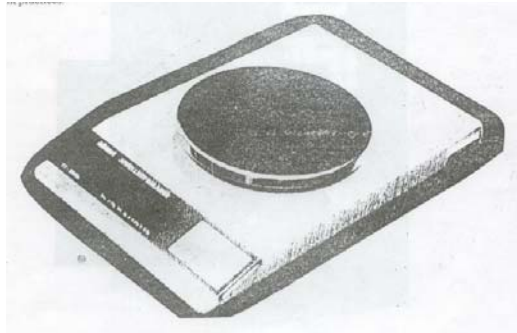

[F. No.WM-21 (303)/2001]

S.O. 2892: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the self-indicating, non-automatic (Table top type) weighing instrument with digital indication of "CJ 20009" series of high accuracy (Accuracy class II) and with brand name "AFCOSET" (herein referred to as the Model), manufactured by M/s. The Bombay Burmah Trading Corporation Ltd., Plot No. 304, New G.I.D.C., Gundalva, Valsad-396035 and which is assigned the approval mark IND/09/2003/258;

The said Model (see figure) is a weighing instruments based on electromagnetic force compensation principle with a maximum capacity of 2100g and minimum capacity of 5g. The verification scale interval 'e' is 100 mg. It has a tare device with a 100 per cent subtractive retained tare effect. The light emitting diode (LED) display indicates the weighing result. The instruments operates on 230 Volts and 50-Hertz alternate current power supply;

In addition to sealing the stamping plate, sealing should also be done to prevent the opening of the machine for fraudulent practices.

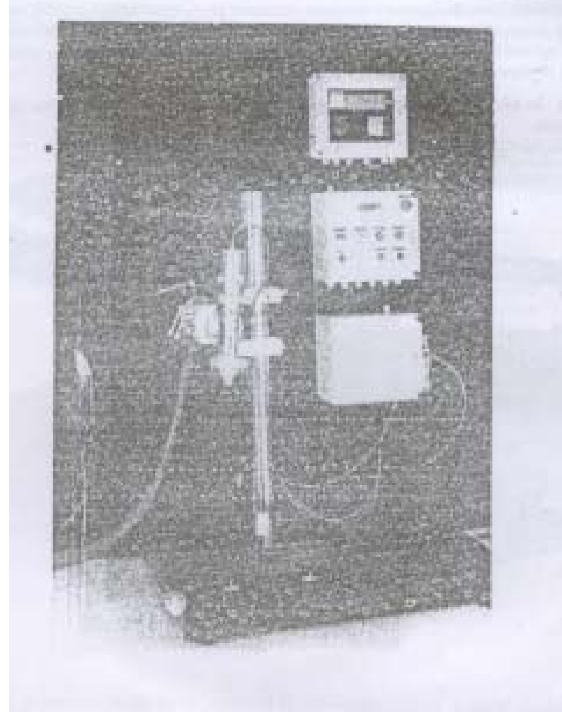

Further, in exercise of the powers conferred by Sub-section (12) of the said Section, the Central Government hereby declares that this certificate of approval of the Model shall also cover the weighing instruments of similar make accuracy and performance of same series with maximum capacity up to 5 kg. with verification scale interval (n) in the range of 100 to 50000 for 'e' value of 1mg to 50 mg and with

verification scale interval (n) in the range of 5000 to 50000 for 'e' value 100 mg or more and with 'e' value of $1x10^k$, $2x10^k$, or $5x10^k$, K being a positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design, accuracy and with the same materials with which, the approved Model has been manufactured.

[F.No. WM-21(303)/2001]

S.O. 2893: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over period of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) and (8) of Section 36 of the said Act, the Central Government hereby issues and publishes the certificate of aporoval of the model of automatic filling machine (load cell based) with digital indication of 'LF' series with brand name "AVERY" (herein referred to as the Model), manufactured by M/s. Avery India Ltd. Plot No. 50-59, Sector-25, Ballabhgarh-121004, Haryana and which is assigned the apporoval mark IND/09/2002/130;

The Model is an automatic filling machine (load cell based) with liquid crystal display. Its maximum capacity is 500 Kg. and minimum cpacity is 5kg. or equivalent volume. It has a maximum fill rate of 360 fills per hour. The machine is designed for filling free flowing non-viscous liquid products like mineral water, milk, chemicals, oil and the like. It operates on 230 Volts, 50 Hertz alternate current power supply.

[F.No. WM-21(40)/2001]

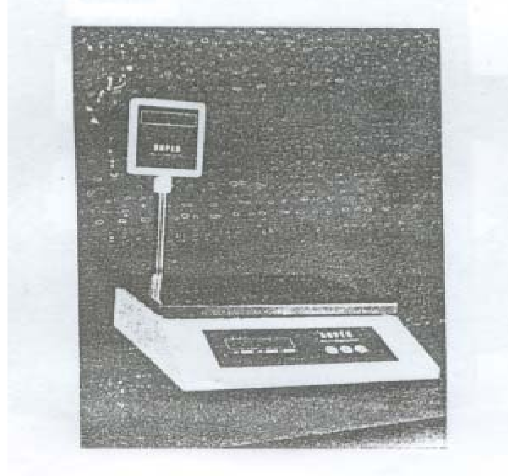

S.O. 2894: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over period of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-sections(7) and (8) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the model of the self-indicating, non-automatic, (Table top type) weighing instrument with digital indication of "ST" series of medium accuracy (Accuracy class III) and with brand name "SUPER SCALE" (herein referred to as the

Model), manufactured by M/s. Super Scale, 550/4, Opp. Municipal Corporation, City Danpith, Ahmedabad-380001 and which is assigned the approval mark IND/09/2003/102;

The said Model (see the figure given below) is a strain gauge typed based weighing instrument with a maximum capacity of 10 Kg and minimum capacity of 20g. The verification scale interval 'e' is 1g. It has a tare device with a 100 per cent subtractive retained tare effect. The light emitting diode display indicates the weighing result. The instrument operates on 230 volts and 50 Hertz alternate current power supply;

Sealing: In addition to sealing the stamping plate sealing is done to prevent the opening of the machine for fraudulent practices.

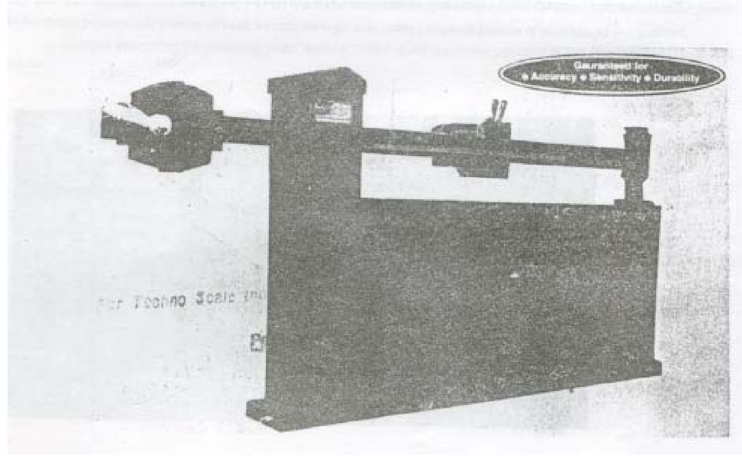

Further, in exercise of the powers conferred by Sub-section (12) of the said Section, the Central Government hereby declares that this certificate of approval of the Model shall also cover the weighing instruments of similar make and performance of same series with maximum capacity up to 50kg and with number of verification scale interval (n) in the range of 100 to 10,000 for 'e' value of 100mg to 2g and with number of verification scale interval (n) in the range of 500 to 10,000 for 'e' value of 5g or more and with 'e' value $1x10^k$, $2x10^k$, or $5x10^k$, K being the positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design and with same materials with which, the approved Model have been manufactured.

[F.No. WM-21(78)/2000]

S.O. 2895: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over period of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-sections(7) and (8) of Section 36 of the said Act, the Central Government hereby issues and publishes the certificate of approval of model of, non-automatic weighing instrument (Weighbridge-Steel yard type) with analogue indication (hereinafter referred to as the said model) belonging to medium accuracy class (accuracy class-III) and "TMS" series with brand name "Techno", manufactured by M/s. Techno Scale Industries, 47, Shree Somnath Society, Ahmedabad-380013 and which is assigned the approval mark IND/09/2003/261;

The said Model is a mechanical lever based non-automatic weighing instrument (Weighbridge Steelyard type) with analogue indication of maximum capacity 30 tonne, minimum capacity 100 kg and belonging to medium accuracy class (accuracy class-III). The value of verification scale interval 'e' is 5kg.

Further, in exercise of the power conferred by Sub-section (12) of Section, 36 of the said Act, the Central Government hereby declares that this certificate of approval of the said Model shall also cover the weighing instruments of similar make accuracy and performance of same series with maximum capacity above 5 tonne and up to 100 tonne and with number of verification scale interval (n) in the range of 500 to 10,000 for 'e' value of 5kg or more and with 'e' value $1x10^k$, $2x10^k$, or $5x10^k$, K being a positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the said approved Model have been manufactured.

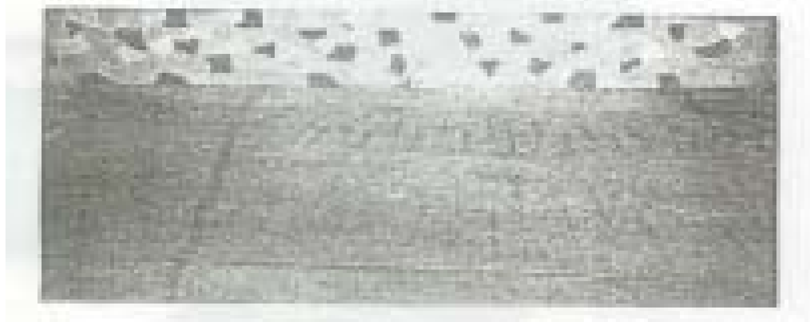

[F.No. WM-21(104)/2002]

S.O. 2896: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act; 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain accuracy over period of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-sections (7) and (8) of Section 36 of the said Act, the Central Government hereby issues and publishes the certificate of approval of the model of the self-indicating, non- automatic, (multi load cell type weigh bridge) weighing instrument with digital indication of "UWB" series of medium accuracy (Accuracy class III) and with brand name "UNIQUE INSTRUMENTS" (hereinafter referred to as the said model, manufactured by M/s. Unique Instruments, 213, Raj Ratan Industrial Estate, Opp: S.N.D.T. Mahila College, Near American Spring, Malad (West), Mumbai-400064 and which is assigned the approval mark IND/09/2003/349;

The said Model (see the figure given below) is a multi load cell based weigh bridge type weighing instrument with a maximum capacity of 40 tonnes and minimum capacity of 100Kg. The verification scale interval (e) is 5Kg. It has a tare device with a 100 percent subtractive retained tare effect. The Light Emitting diode display indicates the weighing result. The instrument operates on 230 volts and 50-Hertz alternate current power supply;

Sealing: In addition to sealing stamping plate, sealing shall also be done to prevent the opening machine for fraudulent practices.

Further, in exercise of the powers conferred by Sub-section (12) of Section, 36 of the said Act, the Central Government hereby declares that this certificate of approval of the said Model shall also cover the weighing instrument of similar make and performance of same series with maximum capacity above 5 tonne and up to 100 tonne with number of verification scale interval (n) in the range of 500 to 10,000 for 'e' value of 1kg or more and with 'e' value $1x10^k$, $2x10^k$, or $5x10^k$, K being the positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the said approved Model has been manufactured.

[F. No.WM-21 (352)/2001]

S.O. 2897: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) of section 36 of the said Act, the Central Government hereby publishes the certificate of approval of Model of, non-automatic Weighing instrument (Table top type dual range) with digital indication (hereinreferred to as the Model) belonging to medium accuracy class (accuracy class-III) and "WEE-TT" series with brand name "WEITEC", Manufactured by M/s Weitec Engineering Enterprise, 6-4-323/A, Vivek Vamshi, Flat No. 201, Bholakpur, Hyderabad-500080 and which is assigned the approval mark IND/09/2003/275;

The said Model is a strain gauge type load cell based non automatic weighing instrument (Table top type dual range) with digital indication of maximum capacity 20kg/30kg, minimum capacity 40g and belonging to medium accuracy class (accuracy class-III). The value of verification scale interval 'e' is 2g upto 20kg and above 20kg upto 30kg 5g. The display unit is of vacuum flourcent display (VFD) type. The instruments operates on 230V, 50 Hertz alternate current power supply.

In addition to sealing the stamping plate, sealing is also done to prevent opening of the machine for fraudulent practices.

Further, in exercise of the power conferred by Sub-section (12) of Section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the said Model shall also cover the weighing instruments of similar make, accuracy and performance of same series with maximum capacity upto 50kg and with number of verification scale interval (n) in the range of 100 to 10,000 for 'e' value of 100mg to 2g and with the number of verification scale interval (n) in the range of 500 to 10000 for 'e' value

of 5g or more and with 'e' value of $1x10^k$, $2x10^k$, or $5x10^k$, K being a positive or negative whole number or equal to zero manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model has been manufactured.

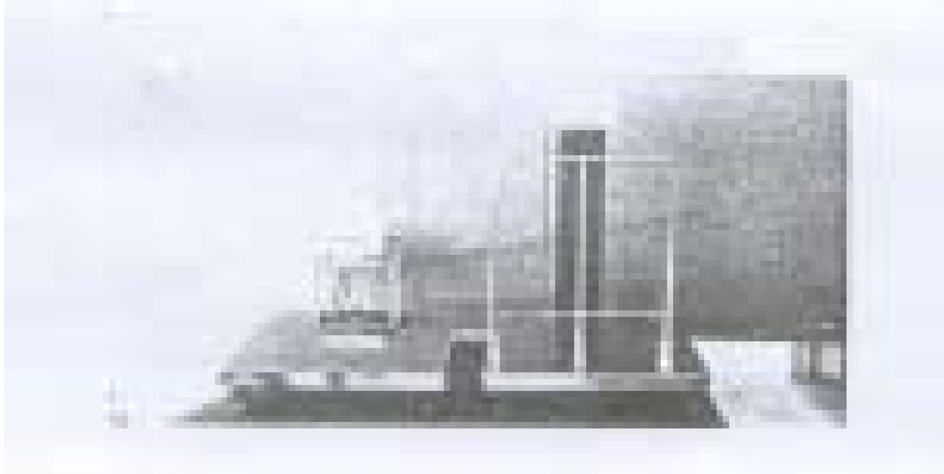

[F.No.WM-21(213)/2002]

S.O. 2898: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Models described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of Model of, non-automatic weighing instrument (Platform type dual range) with digital indication (hereinreferred to as the Model) belonging to medium accuracy class (accuracy class-III) and "WEE-PT" series with brand name "WEITEC", Manufactured by M/s Weitec Engineering Enterprise, 6-4-323/A, Vivek Vamshi, Flat No. 201, Bholakpur, Hyderabad-500080 and which is assigned the approval mark IND/09/2003/276;

The said Model is a strain gauge type load cell based non automatic weighing instrument (Platform type dual range) with digital indication of maximum capacity 200kg/250kg, minimum capacity 400g and belonging to medium accuracy class (accuracy class-III). The value of verification scale interval 'e' is 20g upto 200kg and above 200kg upto 250kg it is 50g. The display unit is of vacuum flourcent display (VFD) type. The instruments operates on 230V, 50 Hertz alternate current power supply.

In addition to sealing the stamping plate, sealing is also done to prevent opening of the machine for fraudulent practices.

Further, in exercise of the power conferred by Sub-section (12) of Section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the said Model shall also cover the weighing instruments of similar make, accuracy and performance of same series with maximum capacity above 50kg and upto 500kg with number of verification scale interval (n) in the range of 500 to 10,000 for 'e' value of 5g or more and with 'e' value of $1x10^k$, $2x10^k$, or $5x10^k$, K being a positive or negative whole number or equal to zero manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model has been manufactured.

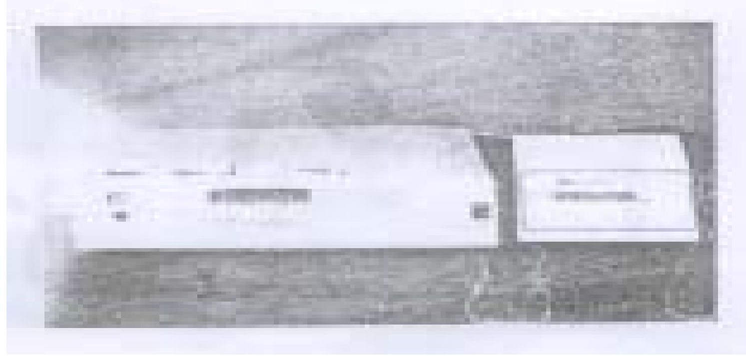

[F.No.WM-21(213)/2002]

S.O. 2899: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Models described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of Model of, non-automatic weighing instrument (Conservation kit for Platform machine) with digital indication (herein referred to as the Model) belonging to medium accuracy class (accuracy class-III) and "WEE-PT" series with brand name "WEITEC", Manufactured by M/s Weitec Engineering Enterprise, 6-4-323/A, Vivek Vamshi, Flat No. 201, Bholakpur, Hyderabad-500080 and which is assigned the approval mark IND/09/2003/276;

The said Model is a strain gauge type load cell based non automatic weighing instrument (Conversion kit for Platform machine) with digital indication of maximum capacity 500 kg, minimum capacity 4kg and belonging to medium accuracy class (accuracy class-III). The value of verification scale interval 'e' is 200g. The display unit is of vacuum flourcent display (VFD) type. The instruments operates on 230V, 50 Hertz alternate current power supply.

In addition to sealing the stamping plate, sealing is also done to prevent opening of the machine for fraudulent practices.

Further, in exercise of the power conferred by Sub-section (12) of Section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the said Model shall also cover the weighing instruments of similar make, accuracy and performance of same series with maximum capacity up to 50kg and up to 1000kg with number of verification scale interval(n) in the range of 500 to 10000 for 'e' value of 5g or more and with 'e' value of $1x10^k$ or $2x10^k$, $5x10^k$, K being a positive or negative whole number or equal to zero manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model has been manufactured.

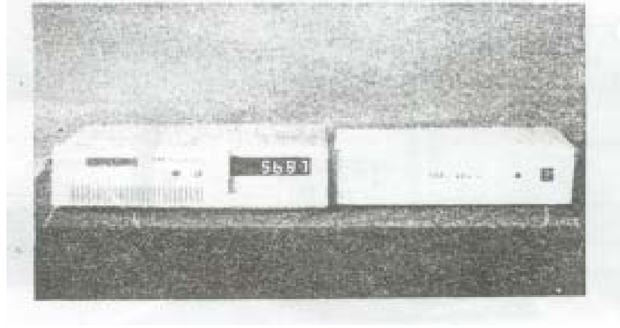

[F.No. WM-21(213)/2002]

S.O. 2900: Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-section (7) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of Model of, non-automatic weighing instrument (Weighbridge) with digital indication (herein referred to as the Model) belonging to medium accuracy class (accuracy class-III) and "WEE-WB" series with brand name "WEITEC", Manufactured by M/s Weitec Engineering Enterprise, 6-4-323/A, Vivek Vamshi, Flat No. 201, Bholakpur, Hyderabad-500080 and which is assigned the approval mark IND/09/2003/278;

The said Model is a strain gauge type load cell based non automatic weighing instrument (Weighbridge) with digital indication of Maximum capacity 40 tonne, minimum capacity 200kg and belonging to medium accuracy class (accuracy class-III). The value of verification scale interval 'e' is 10kg. The display unit is of light emitting diode (LED) type. The instruments operates on 230V, 50 Hertz alternate current power supply.

In addition to sealing the stamping plate, sealing is also done to prevent opening of the machine for fraudulent practices.

Further, in exercise of the power conferred by sub-section (12) of section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the said Model shall also cover the weighing instruments of similar make, accuracy and performance of same series with maximum capacity above 5 tonne and up to 100 tonne with number of verification scale interval(n) in the range of 500 to 10000 for 'e' value of 5kg or more and with 'e' value of $1x10^k$, $2x10^k$ or $5x10^k$, K being a positive or negative whole number or equal to zero manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved Model has been manufactured.

MINISTRY OF LABOUR

NOTIFICATION

New Delhi, the 3rd October, 2003

G.S.R. 783(E).- exercise of the powers conferred by section 5 read with sub-section (1) of Section 7 of the Employees Provident Funds & Miscellaneous Provisions Act, 1952 (19 of 1952), the Central Government hereby makes the following scheme further to amend the Employees Provident Funds Scheme, 1952, namely:

1. (i) This scheme may be called the Employees Provident Funds (Amendment) Scheme, 2003.
   (ii) It shall come into force with effect from the date of its publication in the official Gazette.
2. In the Employees Provident Funds Scheme, 1952,-
   After paragraph, 68BB the following paragraph shall be inserted, namely:

"68BC: Withdrawal/ financing from the Fund for the purchase of a dwelling house/flat or the construction of a dwelling house including the acquisition of a suitable site by the Member:

(1) Notwithstanding anything contained in paragraph 68B or 68BB, where a member desires to purchase a dwelling house/ flat, including a flat in a building owned jointly with others (outright or on hire purchase basis), or for construction of a dwelling house including the acquisition of a suitable site for the purpose, from the Central Government, a State Government, or a Housing Agency under a Housing Scheme as Notified by the Central Provident Fund Commissioner from time to time, may apply in such form and in such manner, as may be prescribed by the Commissioner, for withdrawal from the amount standing to the credit of the member in the Fund, and the Commissioner, or where so authorized by the Commissioner, any officer subordinate to him, on receipt of such application may sanction such amount not exceeding the members own share of contributions with interest thereon (and the employers share of contributions with iterest thereon to his credit) or the cost of the acquisition of the proposed property whichever is less by debiting to the members account:

Provided that no withdrawal under this paragraph shall be granted unless-

(i) the member has completed five years membership of the Fund; and

(ii) the share of contributions with interest thereon in the amount standing to the credit in the Fund of the member/or together with the spouse who is also a member, is not less than twenty thousand rupees.

Provided further that the Commissioner may, on sufficient grounds being shown through an application from a member in this regard, reduce the period as stipulated in (i) above to three years for withdrawal from the amount standing to the credit of the member in the Fund, for the repayment, wholly or partly, of any outstanding principal and/ or interest of a loan obtained in the name of the member or spouse of the member or jointly by the member and spouse from any Government or a Housing Agency under Housing Scheme so notified, solely for the purposes specified in this proviso and the Commissioner, or where so authorized by the Commissioner, any officer subordinate to him, on receipt of such application may sanction such amount not exceeding the member's own share of contributions with interest thereon alongwith the employers share of contributions with interest thereon, or the amount requested by the member or the outstanding balance in the loan account, whichever is less, by debiting to the members account.

Provided also that, where a member desires that monthly installments for the repayment, wholly or partly, of any outstanding principal and/ or interest of a loan obtained in the name of the member or spouse of the member or jointly by the member and spouse, solely for the purposes specified in this proviso, may be paid from the amount standing to the credit of the member in the Fund, he may apply in such form and in such manner, as may be prescribed by the Commissioner and on receipt of such an application, the Commissioner or where so authorized by the Commissioner, any other officer subordinate to him may make payment by the 15th of each month on behalf of the member to the Government or a Housing Agency concerned, as the case may be.

Provided also that when the membership of the member ceases to exist, or, where the amount standing in the credit of the member's account is not sufficient to pay the monthly installment for any month, the Commissioner or where so authorized by the Commissioner any other officer subordinate to him shall not be liable to pay the monthly installment or any late fee and/ or interest, if any monthly installment could not be remitted in time.

(2) The withdrawal or finance for the purchase of a dwelling house/flat or a dwelling site or construction of a dwelling house, under sub-paragraph (1) and proviso thereunder, shall not be made to the member in any event and shall be made direct to the Government or Housing Agency concerned only, as the case may be, in one or more installments, as may be authorized by the member.

(3) No further withdrawal under sub-paragraph (1) above shall be admissible to a member unless he has discharged his liability towards the existing loan.

(4) (a) If the withdrawal or finance granted under this paragraph exceeds the amount actually spent for the purpose for which it was sanctioned, the excess amount shall be refunded by the member to the Fund in one lump sum within thirty days of the finalisation of the purchase, or the completion of the construction of, or necessary additions or alternations to a dwelling house/flat, as the case may be.

(b) The amount so refunded under sub-paragraph (a) shall be credited to the employer's share of contributions in the members account in the Fund to the extent of withdrawal granted out of the said share and the balance, if any, shall be credited to the member's share of contributions in his account.

(c) In the event of the member not having been allotted a dwelling site/dwelling house/flat or in the event of the cancellation of an allotment made to the member by the Government or the Housing Agency, referred to in sub paragraph (1) above, then the Government or the said Housing Agency, to which the amount so withdrawn has been given shall be liable to refund the amount to the Fund in one lump sum in such manner as may be specified by the Commissioner, within a period not exceeding fifteen days from the date of such cancellation or non-allotment.

(d) The amount so refunded under clause (c) shall be credited to the employer's share of contributions in the members account in the Fund, to the extent of withdrawal granted out of the said share, and the balance, if any, shall be credited to members own share of contributions in his account.

(5) The Commissioner or where so authorized by the Commissioner any officer subordinate to him has reason to believe that the amount remitted to the Housing Agency under the Housing Scheme under this paragraph has been misutilized and will not be refunded, he shall forthwith take steps to recover the amount due with interest including penal interest thereon at the rate to be notified by the Commissioner from time to time and the amount so recovered shall be credited to member's account in the Fund to the

extent of withdrawal granted out of the said account and interest thereon and the remaining amount, if any shall be credited to Administrative Account.

(6) The Commissioner may notify such Housing Agency be debarred from participation in the Housing Scheme.

MINISTRY OF HEALTH AND FAMILY WELFARE
(Department of Health)
NOTIFICATION
New Delhi, the 21st October, 2003

G.S.R. 832(E): Whereas draft of certain rules further to amend the Preventionof Food Adulteration Rules, 1955, was published, as required by sub-section (1) of section 23 of the Prevention of Food Adulteration Act, 1954 (37 of 1954) under notification of the Government of India, Ministry of Health and Family Welfare (Department of Health), number G.S.R. 101(E), dated the 11th February, 2003 in Part-II, Section 3, Sub-Section (i) of the Gazette of India, Extraordinary, dated the 11th February, 2003, inviting objections and suggestions from the person likely to be affected thereby before the expiry of a period of sixty days from the date on which copies of the Official Gazette in which the said notification was published were made available to the public;

And whereas, the copies of the said Gazette were made available to the public on the 13th February, 2003;

And whereas objections or suggestions received from the public within the specified period on the said draft rules have been considered by the Central Government;

Now, therefore, in exercise of the powers conferred by section 23 of the said Act, the Central Government after consultation with the Central Committee for Food Standards, hereby makes the following rules further to amend the Prevention of Food Adulteration Rules, 1955, namely:

1. (1) These rules may be called the Prevention of Food Adulteration (4th Amendment) Rules, 2003.

   (2) They shall come into force from the date of their final publication in the Official Gazette.

2. In the Prevention of Food Adulteration Rules, 1955,-

   (i) in rule 13, in sub-rule(1), in the proviso, the words "above the age of eight years", shall be omitted.

   (ii) for rule 51, the following rule shall be substituted, namely:

   "51 Duration of Licences: A licence shall, unless sooner suspended or cancelled, be in force for a period of five years or for such period as the State Government may prescribe:

Provided that the licensee shall make an application for renewal of licence at least three months before the expiry of the period of validity of the licence and the licensing authority shall pass orders on the application before the expiry period of validity of the licence in force.

(iii) in appendix 'A', after FORM VIII, the following FORM shall be inserted namely,-

"FORM-IX
(See Rule 9-B)

MINISTRY OF LAW AND JUSTICE

(Legislative Department)

New Delhi, the 27th October, 2003/ Kartika 5, 1925 (Saka)

THE PREVENTION OF TERRORISM (AMENDMENT) ORDINANCE, 2003

NO.4 OF 2003

Promulgated by the President in the Fifty-fourth Year of the Republic of India

An Ordinance to amend the Prevention of Terrorism Act, 2002.

WHEREAS Parliament is not in session and the President is satisfied that circumstances exist which render it necessary for him to take immediate action;

NOW, THEREFORE, in exercise of the powers conferred by clause (1) of article 123 of the Constitution, the President is pleased to promulgate the following Ordinance:-

1. Short title and commencement.- (1) This Ordinance may be called the Prevention of Terrorism (Amendment) Ordinance, 2003

(2) It shall come into force at once.

2. Amendment of section 60.- In section 60 of the Prevention of Terrorism Act, 2002, (15 of 2002) after sub-section (3), the following sub-sections shall be inserted, namely:-

"(4) Without prejudice to the other provisions of this Act, any Review Committee constituted under sub-section (1) shall, on an application by any aggrieved person, review whether there is a prima facie case for proceeding against the accused under this Act and issue directions accordingly.

(5) Any direction issued under sub-section (4),-

(i) by the Review Committee constituted by the Central Government shall be binding on the Central Government, the State Government and the police officer investigating the offence; and

(ii) by the Review Committee constituted by the State Government shall be binding on the State Government and the police officer investigating the offence.

(6) Where the reviews under sub-section (4) relating to the same offence under this Act, have been made by a Review Committee constituted by the Central Government and a Review Committee constituted by the State Government, under sub-section (1), any direction issued by the Review Committee constituted by the Central Government shall prevail.".
